AFRDI Blue Tick certification criteria are based on **AS 4688 part 1:2018** and **AS/NZS 4688 parts 2, 3 and 4:2000 (R2016)** *Fixed height chairs*, but may include additional requirements and variations as deemed appropriate by Furntech-AFRDI.

Electrical components, if present, have not been tested or certified by Furntech-AFRDI to any electrical standard or evaluated against any electrical regulation.

The strength and durability of the lift/recline mechanism has not been assessed in regard to its operation. The mechanism has only been assessed with regard to its function as part of the supporting structure during the overall assessment of the chair in the upright position.

Fabrics (or other upholstery foam coverings) have not been assessed as they are often specified by the customer. To comply with the care requirements of **AS 4688** fabrics must meet the care labelling requirements of **AS/NZS 1957**.
