AFRDI Blue Tick certification criteria are based on **AS/NZS 4790: 2006 (R2016) Furniture – Storage Units – Determination of Strength and Durability (including the relevant sections of ISO 7171:2019 Furniture – Storage units – Test methods for the determination of stability)**, but may include additional requirements and variations as deemed appropriate by Furntech-AFRDI.

Electrical components, if present, have not been tested or certified by Furntech-AFRDI to any electrical standard or evaluated against any electrical regulation.

Testing and evaluation was conducted on the specified unit/s, or selected samples from the range, such that in the opinion of Furntech-AFRDI all items (as tabulated below) should perform satisfactorily in relation to the certification criteria. Certification is limited to the features and options depicted and listed on this certificate.

The supplier having agreed to maintain the compliance of the product and to submit to retesting and auditing as appropriate, the Australasian Furnishing Research and Development Institute hereby certifies the product range (as specified) under the AFRDI Blue Tick Product Certification Program.

This certification is valid for three years but may be suspended, revoked or renewed.
