#This product is supplied as a **frame only**. It was assessed with the worktop specified in the product details overleaf. To be a certified **desk** the frame must be supplied with an appropriate worktop. An appropriate worktop is one:

- that is securely attached and correctly positioned on the frame (as per instructions available from the company listed above)
- whose dimensions match, or fall within the range of those specified in the product details overleaf
- whose material properties meet or exceed the properties of the worktop specified in the product details overleaf (i.e. board with equal or greater strength, stiffness and density)
- with a formaldehyde emission rating of E1 or better e.g. E0.

AFRDI Blue Tick certification criteria are based on **AS/NZS 4442:2018 Office desks, office workstations and office tables intended to be used as office desks**, but may include additional requirements and variations as deemed appropriate by Furntech-AFRDI.

Products will be certified at minimum for general safety, strength and durability, and stability. Those certified with minor variations have a limited number of dimensions a small amount outside those specified in the standard. Dimensionally non-compliant products should be evaluated in relation to their intended application.

Electrical components, if present, have not been tested or certified by Furntech-AFRDI to any electrical standard or evaluated against any electrical regulation.
